

## Rectangular Tins

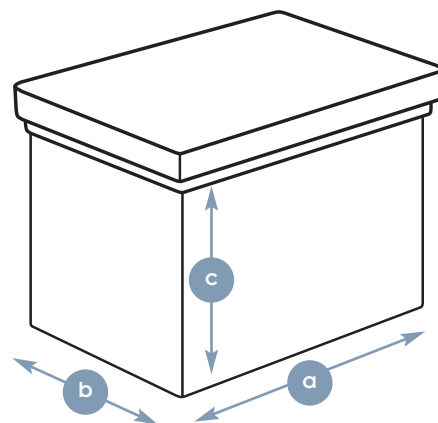

- The dimensions are the base size, we then have two piece tins that have fixed heights and three piece tins that have various heights.
- Three piece tins are lid, body and base, the base is the tool size and the body can be varied in height.
- The lids available are coded with a letter.

## Rectangular Tins

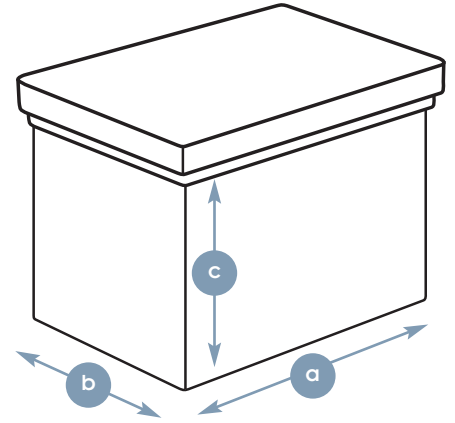

- The dimensions are the base size, we then have two piece tins that have fixed heights and three piece tins that have various heights.
- Three piece tins are lid, body and base, the base is the tool size and the body can be varied in height.
- The lids available are coded with a letter.
